LAST WEEK'S MEETING

A small but representative group of members and Rotaractors

There was a focus on planning for what is happening between now and Christmas

On the 19th of November Venky is speaking to the Marton Rotary Club, so the idea is to go and support him, and also find out what this Architectural lighting is all about! Travel details etc to follow.

There will be no meeting on 20th November.

AGM – the Club's AGM will be on December 4th, and the final night for the year will be on 11th December - Venue to be decided.

FOODBANK DRIVE: The annual Foodbank Drive is on 24th November. We will have 3 vehicles and we will need 6 – 8 helpers to cover the area of the City that we have traditionally covered.

AWESOME AWAPUNI was unfortunately cancelled due to the threat of bad weather – which did eventuate to a degree. The Council has offered to partner with the local community with a Movie Night on Dec 6th at the Park. We are invited to help. Details to follow

LIGHT MY FIRE..... (don't tell anyone living in California) That is the theme for the District Conference in Wanganui May 17 – 19 '2019 For those who have not been to a District Conference this would be a great start!

Great speakers (without knowing who they are!) and a chance to mix with Rotarians from around the District.

CHRISTMAS FUNCTION...Book in the 16th December the idea was to have a combined affair with Milson Club – at the Esplanade Café. Details to be confirmed.

START FOR 2019 . Our first meeting for the New Year will be on 22nd January, and will be a casual catch-up Barbecue.

Don't forget to talk about ending Polio Now, and the work Rotary is doing.

Pres Peter and Ramola attended the Awatapu Prizegiving and were impressed by the caliber of the students. There is still work to do to get an intro to start an Interact Club at Awatapu, so Venky is going to sound out Freybeg High. Peter to talk to Milson Club, so we do not tread on any toes.

Venky attended a good regional Membership Meeting. He is going to sort out how we can be better users of Clubmate, and become more connected.

THOUGHT FOR THE WEEK
