JUNE 11th 2019

Next Meeting: 18th June - MYSTERY EVENING

LAST WEEK'S MEETING

A very small turnout 4 + 1 fleeting visitor – so it's a small Bulletin!

Things have been going on however, and it is great to hear of the number of students accepting the offer to attend Brave Thinkers. We are waiting to see how this is being budgeted for, and how much the shortfall may be.

It was mentioned before but it would seem a nice gesture for the Club to provide each student with a welcome pack - maybe something to chew on , something to read – I am sure we could come up with something that could link us to the students, so we could feel part of it all.

CANTEEN

Canteen featured in Wednesday's paper with a statement from Gina Copson on how the withdrawal of support services affected coping with treatment and recovery. Good to hear that the Club will be able to make a point to the Chief Executive Nick Laing when he comes to Palmerston North.

“In 2019 -20, it will be our challenge to strengthen the many ways that **Rotary Connects the World**, building the connections that allow talented, thoughtful and generous people to unite and take meaningful action through Rotary service.”

Club Changeover This will be on 16th July. It is at Little India in Broadway, with a meal cost of \$27 per head. The invitation was sent out previously. Presumably everyone has booked by now! Let Fraser know you are coming.

Up and Coming.....

Daffodil Day – on again Friday 30th August at Massey concourse – 8.30am – 2pm (approx) Craig has offered to co-ordinate the day.

Awesome Awapuni Day 9th November at Rangitane Park – Maxwells Line. A fun day for the local Awapuni community.

THOUGHT FOR THE WEEK

Too often we underestimate the power of a touch, a smile, a kind word, a listening ear, an honest compliment, or the smallest act of caring, all of which have the potential to turn a life around.
