10 OCTOBER 2017

October is Economic and Community Development Month

next meeting October 24th 2017

This will be an opportunity for further planning. Awesome Awapuni Day is only 6 weeks away, so there will some ways we can assist in getting things organized.

LAST MEETING

A small attendance, but worthwhile discussion on a number of project and issues.

The Awatapu College Prizegiving is on 8th November, and we have for a number of years presented a prize to a student for service – to the school and the community. We donate a prize of \$250 to go with the trophy. It is traditionally the President who gets the honour to attend. If Kevin cannot make it he will no doubt ask for a deputy.

We received thanks from the Cancer Society for our help on Daffodil Day.

Dannevirke Club celebrates 90 years on 4th November.

The Rotaract Club of Massey Manawatu meets at Massey Campus Room SGP1.04 in basement of Sir Geoffrey Perrin building on 1st and 3rd Tuesdays at 1.30pm.

OTHER MATTERS

Planning is underway for the Club's AGM and Christmas function.

Awesome Awapuni Day - 11th November - is fast approaching, and support is needed from members to ensure it goes smoothly. Rodney and David C. attended a project meeting last Thursday, and details were finalised. The Council has made a grant of around \$4,500 towards the cost of the day. This ensures that all activities will be free. We are finalising the details of the stir fry vegetables, and we have all the plates / utensil etc in hand. More details of tasks nearer the day, but assembly time is 9.30am.

We have also volunteered as a Club to provide a Project Manager for the day. This person to be the go-to person for on the day decisions. So think if that could be you.

Keep in mind the 25th November - the day of the city-wide **FOODBANK DRIVE**. Kevin is masterminding it, but we need help with trailers and personpower.

When you have read Rotary Down Under, please bring the magazine to a Club meeting. We can then share copies with those looking at becoming members to give them a picture of the wider Rotary World.

THOUGHT FOR THE WEEK

We know what happens to people who stay in the middle of the road – they get run over. *Aneurin Bevin*

Yours in Rotary - David C.
